

require a

Financial Adviser

We are looking for an experienced professional to join our team of Independent Financial Advisers. The successful candidate will have gained experience working for an FSA regulated firm and be able to demonstrate they can provide to our clients the full range of financial advice expected of an IFA. Pharon place great importance on professional qualifications and therefore you must have passed papers CF1 to CF5 set by the Chartered Insurance Institute (or equivalent). Applicants who have already obtained the Diploma in Financial Planning, or a financial qualification of similar status, will hold a definite advantage as the position will require this level of qualification to be obtained. Full support is provided by way of study materials and finance. A competitive salary package, including a performance related discretionary bonus scheme, is available.

Please send your CV by email to:
